The Azerbaijan Land Transport Agency under the Ministry of Digital Development and Transport of the Republic of Azerbaijan presents its compliments to the Ministry of Transport and Communications of the Republic of Lithuania.

Upon entry into the territory of the Republic of Azerbaijan with vehicles registered in foreign states, in the absence of an International Motor Insurance Card (“Green Card”), the vehicle owner is required to conclude a border insurance contract for the respective vehicle.

At present, such contracts are issued on-site by insurance company representatives at border crossing points.

Please be informed that starting from October 1, 2025, the issuance of insurance contracts at border crossing points will be discontinued. Carriers who do not hold an International Motor Insurance Card (“Green Card”) must conclude the border insurance contract in advance – either through the online platform “www.tpl.az” or by contacting insurance companies operating in the territory of Azerbaijan.

In view of the above, we kindly request you to inform carriers about the rules that will come into force on October 1, 2025.

Taking this opportunity, we would like to express our assurance of closer and more constructive cooperation in the future.

Chairman of the Board
