To: Young Tae Kim
Secretary-General of the
International Transport Forum at the OECD

Dear Mr. Young Tae Kim,

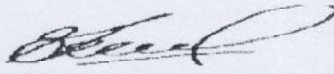

We hereby inform you that, pursuant to Decision No. 787-N of the Government of the Republic of Armenia dated 4 June 2026, it has been established that goods vehicles registered in the member states of the European Conference of Ministers of Transport (ECMT), with a maximum permissible gross weight of up to 44 tonnes, which enter the territory of the Republic of Armenia under the "ECMT" multilateral quota permit system for the purpose of transit through the territory of the Republic of Armenia to the territory of third countries or without transit, are exempted from paying road tax on the principle of reciprocity.

The Decision entered into force on 14 June 2026.

Considering that the above-mentioned exemption is applied on the basis of reciprocity with the ECMT member countries, we kindly request clarification regarding the willingness of all member countries to observe the principle of reciprocity.

Please accept, Mr. Secretary General, the assurances of my highest consideration.
